Mis-milled Planks Blotches Irregular Color Variation*

*All GreenWorld Industries flooring and trim have inherent variation in colors.

Do NOT use mineral spirits to clean floor, mineral spirits is not acceptable for any use on GreenWorld Industries flooring and will void any finish warranty.

If you are installing stairs using prefinished factory stairnose please match the wood to the stairnose for color and texture before installing stairs. Note GreenWorld Industries will not be liable to you or anyone else for any costs or expenses incurred and will NOT be responsible in any way for damages. GreenWorld Industries will not repair or replace any installed flooring or trim with manufacturing defects or shade variation.
